## ABOUT THE DECK

This deck profiles 52 unsolved homicides and missing persons. There are hundreds of other cases that are not profiled here. You might know something about these cases or you might have some information on cases not in this deck. You might think the information you have is not important or would not be helpful to the investigation. However, that information might just be the missing link for which the family members have been waiting years that can solve their loved one's case and bring closure to their family. The victims depicted in this deck are someone's mother, father, sister, brother, wife, husband, or child. If you have information about any case in this deck, please call the number at the bottom of the card on which the case appears. If you have information about a case that does not appear on this deck, please call the local law enforcement agency of jurisdiction or the Wisconsin Department of Justice, Division of Criminal Investigation at 608-266-1671.

This project was supported by grant funds awarded by the Wisconsin Department of Justice, through the United States Department of Justice, National Institute of Justice, Grant #2010-DN-BX-K010.
